YOUR MOBILE TECHNOLOGY
PROTECTION NEEDS

Why HiED Repairs?

We know that selecting the right casing, protection option, and repair company is a critical decision.

We make that decision an easy one.

Products Designed For Educators

Our product offerings were developed from the ground-up for the educational market. Cases, protection, repair, and repair management designed for educators.

Fast Turnaround Times, In-House Repair

With strategically located in-house repair centers, we are able to turnaround device repairs in 2-5 days, a fraction of the time of other protection plans and repair centers.

Personalized Customer Service

As a partner with us, you will be assigned a dedicated account representative who's sole job is to keep you happy.

Customized Protection Plans

Whether a 1:1, 1:2, or small scale deployment, we can tailor a custom protection plan that matches your district's unique technology deployment, use case, and budget.

Buyback Protection

We offer buyback protection on all your devices, working or not. Convert your unwanted or aged devices to working capital quickly and efficiently.

Peace-of-Mind

We deliver Peace-of-Mind as a Service; confidence that your mission-critical devices are protected, repaired, and returned to your students in a timely manner.
