Quick Start Guide [www.uh.edu/infotech/quick-start](http://www.uh.edu/infotech/quick-start)

## Get Microsoft Office for Free!

UH students can download Microsoft Office on up to five computers and five mobile devices. Office includes the latest version of Word, Excel, PowerPoint, OneNote, and more. As long as you're a student here, you'll be able to use this software for free. Learn more at the Quick Start Guide.

## Getting the Most out of WiFi

High-speed WiFi access in the classrooms, residence halls, the libraries and throughout most of the campus. Fine-tune or upgrade with a USB WiFi adapter and an external antenna to dramatically improve WiFi speeds for very little money. More information can be found at: [www.uh.edu/improve-wifi](http://www.uh.edu/improve-wifi)

## Buying a Computer
