Tailored Departmental Services

As the official technology provider of the **University of Texas at Austin**, we are dedicated to meeting the unique needs of departmental staff. The **Campus Computer Store** aims to offer high-quality service and easy access to essential technology products and services. Whether you need individual items or bulk orders, we're here to support your department.

- **Convenient On-Campus Location:** Easily accessible for all your technology needs.
- **Academic & Volume Discount Pricing:** Take advantage of our competitive pricing tailored for university departments.
- **Free Shipping & In-Store Pickup:** Free shipping on orders over \$100 or convenient in-store pickup options.
- **Seamless Purchase System Integration:** Simplify your purchasing process with our integrated online system.

Certified Computer Repair Services

Our in-house repair center, staffed by certified technicians, offers both in and out-of-warranty repairs for Apple and Dell computers, as well as out-of-warranty repairs for most other brands. We guarantee competitive pricing on labor, and for added convenience, we offer complimentary pickup and drop-off services for on-campus departments.

Volume Purchasing

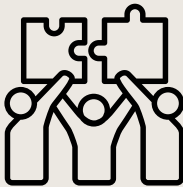

Streamline your department's technology procurement with our comprehensive purchasing solutions. Our online platform is integrated with the university's purchasing system, allowing you to easily place bulk orders or purchase volume licenses for a wide range of hardware and software. We accept Purchase Orders and Pro Cards and provide an online quote-building tool for your convenience. For specialized items, simply request a quote—our team excels in sourcing hard-to-find products.

Exclusive Faculty & Staff Benefits

We are committed to enhancing the value of your campus experience. We offer exclusive sales, giveaways, and events throughout the year.

Academic Technology Alignment

We collaborate with schools across the UT campus to ensure that students are well-prepared with the right technology. As the sole provider of official computer specifications and software recommendations, we also support the New Student Laptop Initiative, helping students secure the best deals and receive unparalleled support.
